SCHEDULE FOR SUCCESS

ABOUT SCHEDULER

Scheduler is a 21 CFR part 11 compliant asset management system that tracks schedules and task execution, helping you use the time to your benefit. It lets you plan and track schedules of any type & at any frequency.

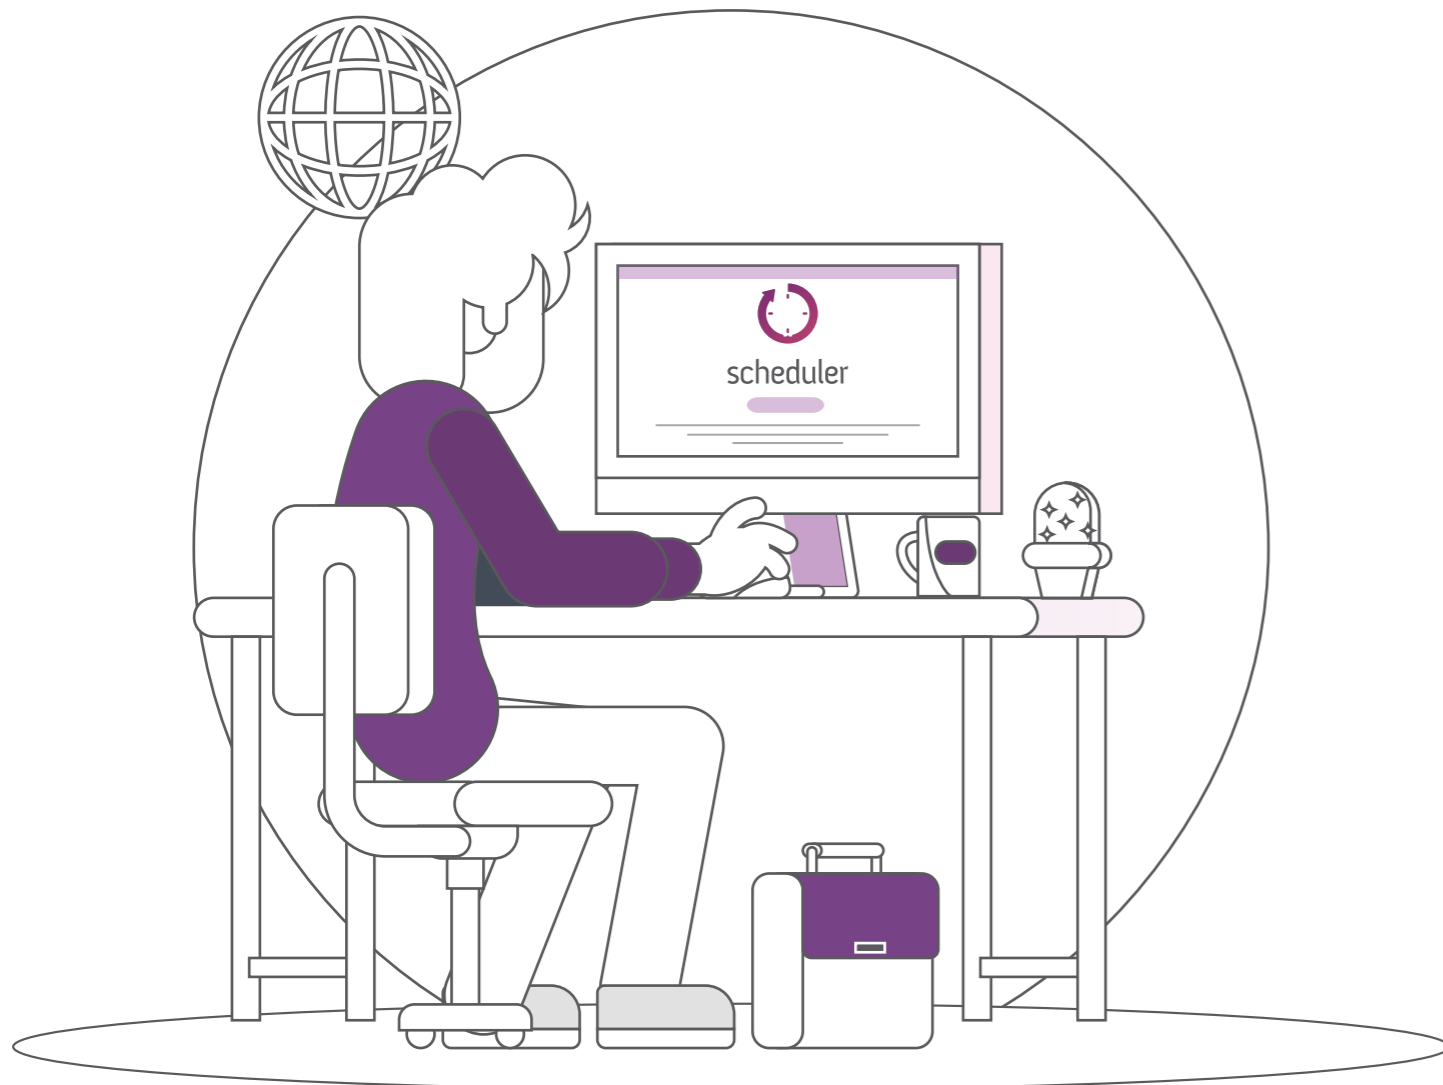

You can use it as a compliance planner, AMC tracker, service tracker or whatever you need to get things done on time.

Our clients use the scheduler to track various types of schedules & activities to continuously meet planned dates.

WHY SCHEDULER ?

- ✓ CFR 21 Part 11 compliant
- ✓ Automated notifications and escalations
- ✓ Track schedules across the organization
- ✓ Asset tracking
- ✓ Guaranteed compliance
- ✓ Single repository for entire organization's scheduled activities

TROUBLE FREE CLIENTS, HAPPY CLIENTS.

“ With Scheduler in place I don't have to make yearly planners and track it. Regular reminders are directly sent to the person responsible for performing the calibration and preventive maintenance. Plant audits is not something I worry about now. ”

Mahesh Patel

AGM, Quality Assurance, Amneal India

“ I have never missed a single calibration or preventive maintenance schedule with scheduler in place. Discus team has always been on their toes, to support us whenever required. ”

Rakesh Sahu

AGM, Quality Assurance, Raks Pharma
